Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98.

Applicant has listed publication dates on the attached PTO-1449 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

Applicant reserves the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith.

This Information Disclosure Statement is being filed before the mailing of a first Office Action. No statement or fee is required. 37 C.F.R. § 1.97(b).

Documents AB1, AC1, AD1, AH1, AL1 and AM1 were cited in a search report by a foreign patent office in a counterpart PCT application. An English language version of the search report that indicates the degree of relevance found by the foreign office is provided as document AR1 in satisfaction of the requirement for a concise explanation of relevance for document AL1, which is in the German language. 1138 OG 37, 38.

Documents AA1, AE1, AF1, AG1 and AM1 were cited in a written opinion by a foreign patent office in a counterpart PCT application. A copy of the written opinion is enclosed as document AS1 for the convenience of the Examiner.

Document AL1 is in the German language. An English-language counterpart is enclosed as document AN1.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449, and indicate in the official file wrapper of this patent application that the documents have been considered.

The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
